Additional Services Requested -- Performed on a Time and Materials Basis (\$60.00/hour)

- | | |
|--|--|
| <u> </u> Mileage (\$2.50 -one way from Kearney or Grand Island) | <u> </u> Balance Water (advance water sample required) (adjust pH, Total Alkalinity, Calcium, Metals) |
| <u> </u> Skim leaves | <u> </u> Clean DE or Cartridge filter chemically (degrease) |
| <u> </u> Clean and store solar blanket | <u> </u> Brush walls |
| <u> </u> Pressure test lines | <u> </u> Refill pool to proper level |
| <u> </u> Assemble winterization standpipes (for our first time winterizers) | <u> </u> Vacuum pool |
| <u> </u> Pool Cleaner Assessment | |

Does not include: Antifreeze, Chemicals, Parts or Repairs (if needed), Cleaning a Dirty, Green, or Cloudy Pool, Treating Algae, water balance (other than pH), or travel outside of Kearney.

Note: Unless we build your pool & winterize it each year, we cannot guarantee your winterization since we have no way of knowing the condition of your underground plumbing, etc., prior to winterization. Underground freezing, thawing, & movement may cause breakage in properly winterized lines.
